subject: Rat infestation at Picante Berkeley complex  
date: Wednesday, February 22, 2023

Hi Ernesto,

Thank you for conducting the inspection of Picante Berkeley housing on February 16, 2023 at 10:30am.

### **Rodent Infestation**

I have had rodents on my patio for the tenure of my residency (dating to November 2018). I have pictures of rodents on my patio as early as May 16, 2021.

### **Ownership**

- Note: In Alameda County records, 1328 Sixth Avenue and 1330 Sixth Avenue are considered one parcel. The Picante Berkeley restaurant is located at 1328 Sixth Avenue and 1330 Sixth Avenue. The Picante Berkeley housing is located at 1330 Sixth Avenue (second and third floors).

Laura Jean Waters owns 100% of the economic interest in my residence (Apartment A). James Maser has made the following representations on real property ownership.

- James Maser was having an affair with Barbara [redacted] during his marriage to Laura Jean Waters.
- Laura Jean Waters filed a petition for dissolution on July 28, 2010 in Contra Costa County Superior Court (Family Court, MSD10-03656).

- Laura Jean Waters has a beneficial interest in 100% of the real property (i.e. a 100% share of the rental income).
- James Maser has a beneficial interest in 100% of the restaurant operations (Maiz Holding Company). Maiz Holding Company has filed “Picante” as a fictitious business name in Alameda County (Alameda County File #526106).
- Alice Waters (Chez Panisse) advised Jennifer W. Sherman against a romantic relationship with James Maser. Alice Waters’ Cafe Fanny had a number of minority owners (Alice Waters, Laura Jean Waters, James Maser, Steve Sullivan and Kermit Lynch).

On February 08, 2023, Frank Darling (Housing Inspector, City of Berkeley) asked James Maser about his ownership position of 1330 Sixth Avenue, and James Maser responded, “I own the third floor.” [Apartment B].

### **Note to Laura Jean Waters**

Please notify Ernesto Jacobo (City of Berkeley) if there are any errors or omissions in this notification. Also, Ernesto Jacobo characterized the rat infestation as “major,” and he stated, “You should be compensated.”

On January 17, 2023, I filed a petition with the City of Berkeley’s Housing Code Enforcement, and I detailed the holes between the Picante Berkeley housing complex and the Picante Berkeley restaurant operations. On January 26, 2023, James Maser and Hector Salazar (License No. 813277) failed to remedy the holes, and James Maser and Hector Salazar (H&X Builders) failed to notice the rat infestation.

On February 08, 2023, Frank Darling (Housing Inspector, City of Berkeley) discovered holes between the Picante Berkeley housing complex and the Picante Berkeley restaurant operations, and these holes should be detailed in his inspection report.

Given the holes between the Picante Berkeley housing complex and the Picante Berkeley restaurant operations, Ernesto Jacobo stated that he would involve the City of Berkeley’s Food Safety and Inspection Program.

Thank you.
